At this time in these processing do attempt to list in my order of recognition in witch I'm capable of doing so as a po-see person in this case.

Pertaining to **Warden Williams** in this case there are a lot of disputable fact, as I will attempt to point out pertaining to this matter at hand.

**Mr .Williams**, Is he not in fact responsible for what goes on in his prison, exspescailey when made aware of the current situations as they arose in his prison. and is he not indeed responsible according to his job title, or dose the state grate him complete amenity from his responsibility there of.

**Section 1, exhibit A, Mr. Williams** did in fact know on a regular basis every time I had a problem in his prison as you can see here, I sent him grievances in which his office did document on a regular basis..

As to weather I can obtain the original copies of these grievances is yet to be seen, but as for now these are what they return to me as documentation as listed here in exhibit A section 1.

### **Grievances in numbers and dates.**
